

Cheating Death:

Judy Reveal's debut mystery novel *Cheating Death*, certainly does not cheat the reader. She has created a masterpiece mystery inside the classic "who dunnit" genre. It is great to see such a solid piece of work right out of the gate. Judy does a wonderful job with her character development and creating scenes that make you feel part of the story. She sets the story close to home in Kent County Maryland, on its eastern shore. Her main characters are Lindsey Gale and Conrad Trent, both of them in the newspaper business that compliment each in great harmony. This is a book that you won't want to put down until you see the ending.
